1. SUPPLEMENTARY

1.1. Additional Ablation Studies

Impact of prominence threshold. We use a prominence threshold [1] of 0.2. In Table 1, we evaluate the impact of the threshold.

prominence	MAE↓	OBOA↑
0.4	0.4731	0.3467
0.3	0.4543	0.3600
0.2	**0.4441**	**0.3933**
0.1	0.5788	0.3400

Table 1: Impact of the prominence threshold on the Rep-CountA dataset.
